Remender, my friend,

Thank you for the referral to Tom Gorman. Your boy did good. I have learned much from the whole incident. Not the least of which is "don't impede the ingress or egress of a woman". Nowhere, nowhy!

I hope you are feeling okay. I wish you and Lonnie could join us for dinner at our place sometime in the near future. Keep us posted on the possibilities for that.

Again, Richard, thank you so much. I've never spent money more effectively. LOL

Sincerely,

=
